

SOUTH HIGH SCHOOL

**1213 W. Allison Rd., Cheyenne, WY 82007
(307) 771-2410 (307) 771-2420 (fax)**

Dear Future Bison Families,

South counselors worked with your student today on career exploration, introduction to South High School, and registration for the 2019-2020 school year. Your student is bringing home registration materials to review with you and to get your input on course selection for the upcoming school year.

Counselors also worked with students on developing 4-year plans for high school classes. The 4-year plan is located in Infinite Campus and includes courses in core subjects and elective courses for each year of your student's high school career. The purpose of the 4-year plan is to help your student stay on track with credits required for graduation, explore course offering including AP and concurrent enrollment/college credit courses, and plan for their future goals after high school.

Studies show that students who have a 4-year plan are more likely to graduate on time and have stronger career goals. The classes your student picks for the 4-year plan can be changed with their counselors throughout high school. This is just an exploratory experience to help your student think about their future.

Your student will be coming home with 2 documents:

- (1) A pink piece of paper that has course preferences for next school year. This form should be completely filled out and signed by the parent and student. The courses entered on this sheet will be your student's course requests for 9th grade.
- (2) A 4-year year plan. We encourage you to review this with your student to help your student explore different class options while in high school.

Your student should bring back both documents on February 13 and 14th so that they can be entered into the computer during their social studies class. Please contact a South counselor for any changes made after the 13th and 14th to your students schedule.

Thank you!
